

ANNOUNCEMENT RE: MaximBio ClearDetect™ COVID-19 Antigen Home Test

Expiration Date Extension

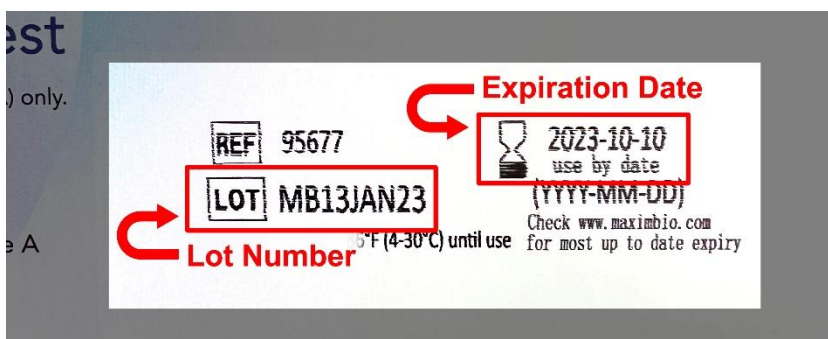

On July 5, 2023, the FDA granted a shelf-life extension for the MaximBio ClearDetect™ COVID-19 Antigen Home Test, which extended the shelf-life of all ClearDetect™ tests to 18 months. Please reference the table below to check the most updated expiration date of your kit. We will continue to apply to FDA for shelf-life extensions based on our stability studies, and the new shelf-lives for our tests will apply to tests already produced as well as future production.

How to find the Lot Number and Expiration Date on your Kit Box

The Lot Number and Expiration Date can be found in the bottom right-hand corner of the back side of your kit box. The labels seen on our products may vary depending on the lot received. Due to various factors, including production batches and supplier variations, there might be slight differences in the labeling of our products. Please reference the images below for more details.
